

Rawal Institutions

Where Success is the Culture

(A unit of Goyal Educational & Welfare Society)

THE

JULY 2022 - DECEMBER 2022

LEARNING FROM EXPERTS

Seminars and workshops provide a chance to interact with experts from the specific field. Discussing about the relevant topics of the particular subject, students tend to learn about the latest information and new skills related to the concerned subject. Rawal Institute of Engineering and Technology engages in arranging seminars and workshops with different organisations to provide wider exposure to their students.

TOPIC	DATE	DETAILS
Performance Marketing Bootcamp	16th July, 2022	Skill Academy Campus
Introduction to Data Structure with JAVA Bootcamp	18th July, 2022	Shaurya Sinha, Ex- Software Engineer an Data analyst at FASTENAL
“Kaam Ki Baat” (Personality Development)	1st October, 2022	Shivangi Narula

BEYOND THE CLASSROOM

Engineers' Day is celebrated every year on September 15, the birth anniversary of Sir M. Visvesvaraya, known as the Father of Engineering, in order to commemorate his contributions to the field of engineering in India. On this occasion, RIET organised competition of Poster Presentation, Video Presentation and Models/ Projects display.

Activity	Position	Name	Course
Poster Presentation	Ist IInd	Diksha Swati & Team	B.Tech CSE, RIET BBA, RIM
Video Presentation	Ist IInd	Riya Supriya	MBA, RIM B.Tech CSE, SDIET
Project/Model	Ist IInd	Shivam Rakesh	B.Tech CSE, RIET B.Tech CE, RIET

Faculty Development

Faculty members are the most important resource in any institution of higher education, especially professional education. Rawal Institute of Engineering and Technology encourages faculty to participate in different kind of activities to improve an individual's knowledge and skills in areas considered essential to the performance of a faculty member as a teacher, researcher or administrator in order to address needs for future development.

Starting a new academic year is good to refocus our forthcoming days with deeper earnest to learn something new for life. At Rawal Institute of Engineering and Technology, we embarked on the new session for first year students.

Schedule of Induction Program

Date	Event Name	Summary
27/09/2022	Academic Awareness	Students come to know about syllabus, academic contents, Attendance requirements, documents required, rules & Regulations
27/09/2022	Movie Time	Through the movie "Rocketry: The Nambi Effect" a Message to every student to work hard and serve for the nation with full dedication and honesty
28/09/2022	Sports Activities	Different indoor and outdoor games like carrom, table – tennis, chess, cricket, etc. so that students can learn team building etc.
29/09/2022	Fundamentals of Physics, Chemistry, Math and English	Basic principle and requirements of subjects were taught to students for better development of their knowledge regarding the subjects
29/09/2022	Seminar on Universal Human Values	Effective Session on 'Truth', 'Honesty', 'Loyalty', 'Love', & 'Peace' to bring out fundamental goodness of human beings and society at large
29/09/2022	Sports Activities	Constantly organised sports activities helps students their co – curricular development
30/09/2022	Fun Activities	To make Students Less Stressed, More Productive, More Creative and more Engaged
06/10/2022	Seminar on "Digital Awareness & Cyber Security"	To develop the awareness of digital literacy among students
07/10/2022	Expert Talk on "Application of RPATech in Robotics & Automation"	To make students aware of robotics engineering as it leads to more productivity, less wastage, increase in efficiency
10/10/2022-13/10/2022	Fundamentals of Physics, Chemistry, Math and English	Basic principles, laws of applied science and humanities sessions are constantly held

Beyond The Classroom

Date: 9th November 2022

Topic: Learn to communicate effectively without words

Speaker: Ms. Teena Hassija
(Career Spotlighting coach)

Club Activities

Amusement Club

One of the pleasures of being in college is that we Study together and Enjoy together. Students of Rawal Institute of Management enjoyed the movie 'Rocketry' together with their teachers in the campus.

Literary Club

Learning should be enjoyable and Management games help make learning interactive, enjoyable and realistic with key learning points. A game simulates 'real life' conditions of what the training is trying to communicate. Rawal Institute of Management is organising Management Games for the budding managers.”

Fitness Club

An Aerobics session was organised for students of Rawal Institute of Management. Such sessions help students to realise the importance of physical exercises in life and gives them a break from regular routine also.

Brain Bee Club

“Where creativity meets madness.”

Rawal Institute of Management organised AD MAD SHOW - an 'Advertisement Making Competition' to showcase the creativity in marketing products and services. The event gave the budding managers an opportunity to bring out their individual and collective talent. The

objective was to acquaint the students about promotional strategies in marketing through advertisements. Students came up with several humorous and conceptual ad presentations. They acted out on various advertisements script and ideas relevant for different sectors. The idea behind conducting this event was to provide a platform to participants to explore their creativity skills.

Sports Club

"Individual commitment to a group effort--that is what makes a team work, a company work, a society work, a civilization work." -Vince Lombardi

This is the lesson Rawal Institute of Management wanted to give to the management students when they organised Team Sports for them. The enthusiastic participation of students in different team games added fervor to the day.

TALENT HUNT 2022

"Believe in yourself. You are braver than you think, more talented than you know, and capable of more than you imagine."

- Roy T. Bennett

Following students won the Talent Hunt 2022 of Rawal Institute of Management.

LEARNING FROM EXPERTS

The invitation of experts as guest lecturers offers students the opportunity to meet passionate, committed and critical people and to learn from them in various ways. Guest Lecture is a concept that helps the students in gaining additional knowledge. At Rawal College of Education we provide guest lectures so that students get to make between what they learn in their textbooks and the experiences shared by the guest speaker. Students thereby build important connections between what they have learnt and the real world.

Date	Speaker	Designation	Topic

Our Co-curricular Achievers

In the 21st Century, education and learning must surpass the four walls of a classroom. So, the core aim of education and learning should be to foster holistic development. However, the importance of co-curricular activities cannot be overlooked in fostering holistic development. Holistic development essentially means intellectual, physical, emotional, and social development, which can be achieved only through proper education. Therefore, Rawal College of education plays a fundamental role in holistic development.

Sarvottam Shiksharathi

Education can open our eyes and expand our minds unlike anything else. It allows us to continually reshape how we see the world, leading to an improved and well-rounded life. Rawal College of Education has set a tradition of appreciating the efforts of the outgoing batch and awards Sarvottam Shiksharathi to the best male and female student teacher. For the session 2020-22, Sarvottam Shiksharathi (Female) was given to Ruma Kumar and Sarvottam Shiksharathi (Male) to Diwakar Chaoudhary.

Certificate of Appreciation

Appreciation is a wonderful thing. It makes what is excellent in others belong to us as well and students are the future leaders of the country. Their compassion, dedication, hopes, and dreams will lead our society into a progressive future one day. Student teachers of Rawal College of Education were appreciated for their excellence performance in school experience programme in government schools of Faridabad by District Administration under the Project-Shiksha Sangam, Faridabad.

Illustrious Interactions

Dr. Dhananjay Joshi, Vice Chancellor, Delhi Teachers University was kind enough to meet our Dr. Sonal Chabra, Principal, Rawal College of Education. The interaction led to healthy discussions about Teacher Education and what innovations can be introduced in the system. Dr. Dhananjay Joshi has been felicitated by many literary and cultural organizations. This includes the prestigious S. Radha Krishnan Memorial Award (2008) in the field of education, and the Best Speaker award at the 26th Youth Parliament Competition organized by the Government of India in 1991. He also received the Bharat Ratna APJ Abdul Kalam National Youth Icon award in 2018, the Dwarka Srijan Shree award in 2018, the Abhimanch Sahitya Puruskar, and the Sanskrit and Hindi Academy Award (Delhi Government), amongst others. He guided us to work in an innovative way in the education system and how we can contribute more to the teacher education system in specific and education system in general.

Professor Pandey S. K. Sharma (Retired from University Grants Commission, India as Sr. Lib. & Information Officer) visited the campus and shared his insight about the latest in library resources. Prof. Pandey had an illustrious career and has served in various capacities in IIPA, Planning Commission, and UGC in documentation department and library office. He also threw light on the changes and modalities of education system in light of National Education Policy 2020. He presented his latest book to our library.

Out Reach Activity

Rawal Institutions well understand the responsibility of moving beyond its campus and reaching out to community at large at different levels. Mr Praveen from Department of Mechanical Engineering conducted a session for the students of Greenfields Public School, Sunper to orient the students towards different dimensions of higher education.

'Sahyog Foundation', our social welfare club visited Government Senior Secondary School, Bijopur and explored with the school where Rawal Institutions can contribute and how we can strengthen the relationship of learning from each other. This was followed by an extensive plantation drive in the school.

Talk on National Education Policy 2020

Dr. Krishan Kant, Principal, Aggarwal P.G.College Ballabgarh graced the campus of Rawal Institutions for an Expert Talk to orient the teaching and non-teaching staff about the relationship between NEP 2020 and NAAC Assessment and Accreditation.

Academic Exchange Activity

A delegation from York St John University, London visited the campus of Rawal Institutions. Ms Louise Donaghy, Director York St John University London, Mr. Mohsin Ramzan, Head International York St John University and Mr. Saurabh Suri, Managing Director, Hallbridge Education Group had fruitful academic interaction with the Senior Academic Team of Rawal Institutions to explore possibilities of future academic collaborations.

Training and Placement Activities

Mittal Software Labs conducted a placement drive for students

Corporate Resource and Interface Centre organised an orientation program for the first year students which was conducted by Luneblaze, Faridabad. Mr. Mahendra Manral, Founder, Luneblaze, interacted with the freshers in the campus. He introduced "Sadhigam - The Co-Learning Club" activities to the students followed by a outcome based activity.
