

## **Faculty Enrichment Programme**

**ENRICHING MINDS, ENHANCING EXCELLENCE!**

Rawal Institute of Management hosted its Faculty Enrichment Programme, a platform for our esteemed faculty members to share knowledge, expertise, and best practices. We're grateful to our faculty members for their active participation and contributions to this enriching experience.

Such initiatives not only help professional growth but also encourage a culture of continuous learning.

## Finance club

Finance club of Rawal Institute of Management successfully hosted a thought-provoking symposium on "The Impact of Tariff Policies on Global Trade Dynamics."

## Finance Conclave 2025

Finance Club organised a Conclave on “Gold and Silver in a Volatile Market.”

It was a concise and insightful session that provided a clear analysis of the key factors influencing price movements, followed by a well-structured conclusion summarizing the major takeaways.

Overall, it was a highly informative and professionally conducted event.

## **Budget 2025 Symposium**

"Budget 2025 Symposium: A Resounding Success!"

Rawal Institute of Management hosted a symposium on Budget 2025, bringing together faculty and students for an engaging discussion on the latest budget announcements!

Our students and faculty members presented insightful thoughts and participated in lively panel discussions, analyzing the budget's implications on various sectors and the economy as a whole!

The symposium provided a platform for our students to showcase their knowledge, critical thinking, and analytical skills, while also fostering a spirit of collaboration and healthy debate!

We're proud of our students and faculty for making this event a success!
